

You can take a picture of your animal and upload it to www.nightzookeeper.com

Night Zookeeper is based on a magical story about the adventures of a Night Zookeeper and the fantastical animals he meets on his nightly rounds. Our website encourages children to invent their very own magical animals and use illustrations and stories to bring them to life. We firmly believe that a child's imagination deserves freedom. Therefore our aim is to engage children across the world and show them that they can be more than just the consumers of digital media... they can be the creators as well.

MERRY CHRISTMAS

Describe your winter Animal:

MERRY CHRISTMAS
